

BMW 320i xDrive G20

* The vehicle in the picture does not necessarily correspond to the offered model

BMW 3 Series (G20) is a premium sports sedan that combines dynamic performance, advanced technology, and everyday comfort. It is powered by a range of efficient petrol and diesel engines paired with a precise automatic transmission and either rear-wheel drive or BMW's xDrive all-wheel-drive system, delivering a perfectly balanced and engaging driving experience.

Inside, the cabin offers modern luxury with a fully digital cockpit, intuitive infotainment system, advanced driver-assistance technologies, and high-quality materials throughout. Excellent ergonomics and a spacious layout ensure comfort for daily commuting as well as long-distance travel. On the outside, the G20 features elegant lines, BMW's signature kidney grille, athletic proportions, and a confident road presence that highlights its sporty executive character.
